Health & Medical Information ** A Copy of the Insurance Card and/or Medicaid Must be attached

Allergies:		
Has the student had any previous psychological testing? ____ Yes ____ No		
Health Insurance Carrier:	Type of Insurance:	Policy Number:

Admissions Acknowledgments: I hereby consent to have the School System seek emergency medical treatment for my child when a medical issue arises.

Regular Attendance Acknowledgments for Scholarship Students: I understand that all full-time scholarship students **MUST** attend school **regularly**.

Student Handbook Acknowledgment: I confirm that I fully accept all terms and conditions set forth in the Student & Parent Handbook.

Policies and Procedures Acknowledgments: The parent/guardian fully understands that all school policies and procedures must be enforced. Failure to follow any portion of the policies and procedures will result in my immediate withdrawal from the program.

Afterschool Activities Acknowledgments: The parent/guardian fully understands that the school is released from all liability once students enter any after-school activities.

Tuition Agreement Acknowledgments: The parent/guardian understands that it is their responsibility to pay the full tuition balance, unless otherwise indicated by the administration. Any parent who withdraws prematurely will be responsible for paying the remaining tuition balance before the end of the academic school year. Failure to pay any portion of the specified balance will result in the retention of records and in the school taking possible further legal action.

Difference of Tuition Agreement: Parents and legal guardians acknowledge that they personally guarantee and remain financially responsible for paying any difference of tuition between the estimated full program cost and the actual scholarship funding received, including any obligations dictated by income, unless a specific tuition accommodation or waiver is approved.

State Scholarships Acknowledgments: The school may allocate student-awarded scholarship funds across various approved services such as enrollment, tutoring, or electives, which, even if billed separately for administration, collectively count toward the overall balance in accordance with state guidelines.

Search Consent Acknowledgments: For the protection of students, teachers, and employees of the School, students may be required to submit their persons, personal effects, vehicles, belongings, and any other items to searches by school officials or other authorized representatives. Your signature below constitutes your consent to the inspection of the student's person, personal effects, vehicle, and/or other belongings.

Photo Release Acknowledgments: The parent and/or guardian hereby grants the school permission to use photographs and videos of my child taken at the school facility and/or during educational field trips for publications, news releases, online platforms, and other communications related to the school.

Acknowledgment of Parental Choice: The parent and/or guardian hereby acknowledges that they have chosen to apply to the school of their own free will and have not been coerced, bribed, enticed, persuaded, influenced, or lured from any other public or private institutions that might claim tortious interference.

Placement Commitment Acknowledgment: The parent or guardian understands and acknowledges that students who pay the registration fee or have an approved scholarship applied to their account are given priority placement and a guaranteed seat at the school. Students who have not submitted a registration fee or secured an approved scholarship may be placed on a waiting list until space becomes available.

Truancy Acknowledgment: By signing, the parent or guardian acknowledges that a student will be considered Truant after three (3) consecutive days of non-attendance or zero contact. Truancy results in the immediate suspension of LMS access, which will only be restored after the parent or student contacts the school administration.
